

About

I'm Manifest
Full-time UI/UX designer
Head of Design at VeronaLabs.com

I was born in January 1990. After getting my Degree in computer science in 2002, I persuaded my higher study in Human Computer Interaction Design. I got my first job as Graphic Designer in the year 2008. After getting experience in graphic for a year, I moved to UI-UX Designing.

In 2010, I decided to work as a Freelance Web, UI-UX & Mobile Interface Designer. I find myself still in the learning phase and have strong desire to achieve as many skills as I can.
